Dear Mr. Thompson and Ms. Morley:

Thank you for your letter dated February 23, 2017. It was shared with the Haslett School Board and acknowledged at our meeting on Monday, February 27, 2017.

The Haslett Board of Education has delegated all dialogue concerning Evan and this tragedy on October 10, 2016 to Superintendent Cook. We are aware that Mr. Cook and Associate Superintendent Sherren Jones have met with you on two occasions to discuss your questions and concerns.

While the board appreciates the invitation to visit your home, it would be inappropriate for us to accept your invitation. Please direct any and all future concerns to Mr. Cook's attention.

Once again, we would like to express our sympathy for your tragic loss. We continue to hold you and your family in our thoughts and prayers during your time of healing.

Sincerely,

Chris Coady, President
Haslett Board of Education
